"And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge;
And to knowledge temperance; and to temperance patience; and to patience godliness;
And to godliness brotherly kindness; and to brotherly kindness charity."

II Peter 1: 5-7

Dear Dr. Dobson:

We live in a time when television brings rampant profanity, violence, and sexual promiscuity into the homes of families everywhere. The Christian Television Alliance strives to provide people with an alternative that rises above the rest. Our mission is to bless households across Colorado with television that is wholesome, that respects the sanctity of life and family, and that is pleasing unto God.

On February 17th, 2009, television stations everywhere must begin to broadcast digital signals. This is tremendous blessing for CTVA because it means that Channel 23 will be broken up into 5 digital sub-channels. Each sub-channel will operate as an independent channel. In the very near future, we will be offer:

- ✚ 840 hours of Christian programming a week
- ✚ Digital-quality picture and sound
- ✚ Access to a potential 3 million homes within the Denver metro area

Now is the time for Christians everywhere to come together as one and work to achieve common goals. CTVA is looking for like-minded organizations that are interested in using our new resources to provide Christian television programming. We look forward to scheduling a time when we can meet face-to-face so that we can present the full potential that Channel 23 has to offer. Or, you can always reach us at (303) 755-7227.

Sincerely Yours in Jesus Christ,
