

Welcome

Experiential learning includes a variety of activities with one common goal—to immerse you in hands-on learning outside the classroom where your experience is at the heart of the learning process.

The Experiential Learning Center (ELC) serves students, faculty, employers, and community partners as a resource for experiential learning opportunities. We offer information, resources and support in the development and coordination of academic internships and co-ops, service-learning courses, volunteer opportunities, and undergraduate research experiences.
